

GRANDES

35mm SPIRAL ECCÉTRIC

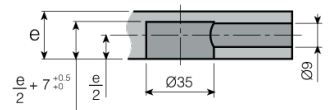

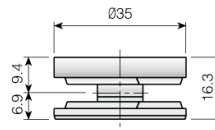

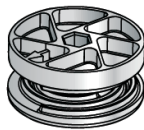

De krachtige GRANDES 35mm excenter heeft een zeer hoge constructieve waarde en is uitermate geschikt voor de verbinding van zware panelen in de interieurbouw, standbouw en voor wanden bij kantoorinrichtingen.

De GRANDES vergrendeld de duvel op drie plaatsen door middel van de spiraal vormige groeven welke een krachtige verbinding garanderen.

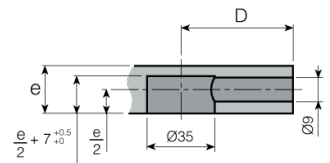

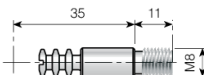

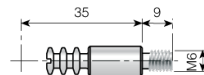

De GRANDES is geschikt voor panelen van 19mm tot 34mm.
